Subject: Transitory accreditation – PIC 891357445
Ref.: Communication of the National Agency of 30 June 2021

Dear Ms Horner,

Please be informed that, following the merge of IPSA together with the CIRFAP and CFP, the new institution "Polyvia Formation" is provided with transitory accreditation in accordance with the procedure established by the European Commission and the Executive Agency.

The Erasmus Code attributed to the institution will be **F LEVALLO09**.

This transitory accreditation entitles the institution to complete any on-going projects in decentralised Erasmus actions. It also allows the institution to apply for new funding either in the Erasmus+ decentralised actions for the academic year 2021-2022 or in the centralised actions managed by the Executive Agency, until 31st October 2022.

Please note that the institution will have to apply for award of the Erasmus Charter for Higher Education during the first available call for proposals, which will be published in spring 2022. The Call will be published in the Funding & Tender Opportunities" portal: <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>.

Yours sincerely,

José-Lorenzo VALLÉS
